

BUNNY Bingo

Every "bunny" will have fun playing bingo with these cute BUNNY bingo cards.

About the Cards

The B-I-N-G-O across the top of each card has been replaced with B-U-N-N-Y and there is a bunch of carrots in the center "free space."

Playing the Game

Using a standard bingo set-up, the caller selects a ball and announces the letter and number - substituting U for I, N for G, and Y for O. The B and N columns stay the same. (**Tip:** Make yourself a cheat sheet like the one below for easy reference.)

B	U	N	N	Y
B	I	N	G	O

13	27	38	47	64
4	20	40	50	70
11	28		48	66
15	19	43	54	68
7	29	31	55	65

Play straight-line bingo, coverall, or other special games. **Note:** Since there are two "N" columns, give players a little extra time between calls.

Special Game Ideas

Instead of straight bingo, play games where the winning card is in the shape of a rabbit's face or an Easter basket.

Don't Say Bingo!

Ask the players to call out BUNNY, PETER COTTONTAIL, or HIPPIITY HOP HOP instead of BINGO when they have a winning card. If they forget and shout BINGO, they lose.

For Markers

Use your regular bingo markers, or go to www.ActivityBasket.com and print a sheet of carrots for each player. Cut them out along the solid lines and your markers are ready to use. For heavier markers, print on heavyweight paper (110 lb.) or card stock. Alternatively, glue your sheets to a piece of poster board (spray glue works best). Then, cut along the lines using a paper cutter or sharp craft knife. For thicker markers that are easier to pick up, glue the sheets to foam board or thick cardboard before cutting out.

For prizes: Award small Easter baskets filled with Easter eggs, Peeps, jellybeans, and other Easter goodies.
