Click [here](#) for details or [check out our prices](#).

Design 1A (with mailer)

Complete 4-page newsletter with articles, pictures, and a mailer on the back page (our original design).

- [Tabloid Size](#) (MS Word Format)
- [Letter Size](#) (MS Word Format)
- [Letter Size](#) (Adobe PDF Format)

Design 1B (no mailer)

Complete 4-page newsletter with articles and pictures, but **no mailer** on the back page.

- Tabloid Size (MS Word Format)
- Letter Size (MS Word Format)
- Letter Size (Adobe PDF Format)
- Spanish Letter Size (MS Word Format)
- French Letter Size (MS Word Format)

Design 1C (blank template)

Blank template with seasonal graphics on the front page and mailer on back page. Add your own articles and pictures.

- Tabloid Size (MS Word Format)
- Letter Size (MS Word Format)
- Letter Size (Adobe PDF Format)

Design 1D (black & white blank template)

Blank 4-page template with mailer on the back page but no seasonal graphics or designs. Add everything yourself, including articles, seasonal graphics, clip art, and/or pictures.

- Tabloid Size (MS Word Format)
- Letter Size (MS Word Format)

Design 2 (with mailer)

Complete 4-page newsletter with a mailer on the back page.

- Tabloid Size (MS Word Format)

Tip: Articles are in text boxes, which are arranged in columns. If you want to change an article, first delete our text. As you type in your new article, the text will automatically flow over into the next text box in the next column.

Design 3 (no mailer)

Complete 4-page newsletter with no mailer on the back page.

- Tabloid Size (MS Word Format)

Tip: Articles are in text boxes, which are arranged in columns. If you want to change an article, first delete our text. As you type in your new article, the text will automatically flow over into the next text box in the next column.
