

SUMMER Bingo

It's summertime and the "living is easy" if you are playing bingo with these special cards. They are perfect for summer games or anytime you feel a little "hot under the collar" and need to take a break for some fun in the sun.

About the Cards

The B-I-N-G-O across the top of each card has been replaced with S-U-MM-E-R and there are flip-flops in the center "free space."

Playing the Game

Using a standard bingo set-up, the caller selects a ball and announces the letter and number - substituting S for B, U for I, MM for N, E for G, and R for O. (**Tip:** Make a cheat sheet like the one below for easy reference.) Play straight-line bingo, coverall, or other special games.

S	U	MM	E	R
B	I	N	G	O

				
13	27	38	47	64
4	20	40	50	70
11	28		48	66
15	19	43	54	68
7	29	31	55	65

Don't Say Bingo!

Ask the players to yell "HOT" or "SUMMER" when they have a bingo. They lose if they forget and shout "BINGO!"

For prizes, pass out such things as sunglasses, Sunburst candy, sun visor, sunflower, etc.

For Markers

Use your regular bingo markers or print a sheet of **FLIP-FLOPS** for each player. Cut them out along the solid lines and your markers are ready to go. For heavier markers, print on heavyweight paper (110 lb.) or card stock. Alternatively, glue the sheets to a piece of poster board (spray glue works best). For thicker markers that are easier to pick up, glue the sheets to foam board or thick cardboard and then cut them out with a craft knife.
